

Attach an Electronic Signature after submitting an online application

To e-sign an online application, you must have a validated myAlaska account. Validating a myAlaska account requires that you have a State of Alaska issued Driver's License or Identification Card, you must be at least 18 years of age, and you must have received a PFD last year.

If you receive notification that no online application was found, verify the information you entered matches the information you provided on the PFD application.

If you have an existing myAlaska account

1. Go to <http://pfd.alaska.gov>
2. Click the  button.
3. Login to myAlaska.
4. Click the blue "Details" button to see what information is still needed to process the application.
5. Select the "Document Center" tab.
6. Under "Required Documents" select the link "signing it with myAlaska" to begin the signing ceremony process.
7. Click the "Sign with myAlaska" blue button.
8. Enter your myAlaska password and click the "Sign and Submit" button. An email that contains your eSignature Confirmation code will be sent. Keep this email for your records.
