   (C) an alien with refugee status under federal law; or

   (D) an alien that has been granted asylum under federal law;

(6) was, at all times during the qualifying year, physically present in the state or, if absent, was absent only as allowed in AS 43.23.008; and

(7) was in compliance during the qualifying year with the military selective service registration requirements imposed under 50 U.S.C. App. 453 (Military Selective Service Act), if those requirements were applicable to the individual, or has come into compliance after being notified of the lack of compliance.

(b) [Repealed, § 18 ch 4 SLA 1992.]

(c) A parent, guardian, or other authorized representative may claim a permanent fund dividend on behalf of an unemancipated minor or on behalf of a disabled or an incompetent individual who is eligible to receive a payment under this section. Notwithstanding (a)(2) - (4) of this section, a minor is eligible for a dividend if, during the two calendar years immediately preceding the current dividend year, the minor was born to or adopted by an individual who is eligible for a dividend for the current dividend year.
(d) Notwithstanding the provisions of (a) - (c) of this section, an individual is not eligible for a permanent fund dividend for a dividend year when

(1) during the qualifying year, the individual was sentenced as a result of conviction in this state of a felony;

(2) during all or part of the qualifying year, the individual was incarcerated as a result of the conviction in this state of a felony; or

(g) For purposes of applying (d)(1) of this section, the date the court imposes a sentence or suspends the imposition of sentence shall be treated as the date of conviction. For purposes of applying (d)(2)(B) of this section, multiple convictions arising out of a single criminal episode shall be treated as a single conviction.

(h) If an individual who would otherwise have been eligible for a permanent fund dividend dies after applying for the dividend but before the dividend is paid, the department shall pay the dividend to a personal representative of the estate or to a successor claiming personal property under AS 13.16.680. If an individual who would otherwise have been eligible for a dividend and who did not apply for the dividend dies during the application period, a personal representative of the estate or a successor claiming
personal property under AS 13.16.680 may apply for and receive the dividend. If an individual who received a dividend for the year immediately before the qualifying year and who would otherwise have been eligible for a dividend dies during the qualifying year after having been a state resident for at least 180 days immediately before the date of death, notwithstanding (a)(1) - (3) and (a)(6) of this section, a personal representative of the estate or a successor claiming personal property under AS 13.16.680 may apply for and receive the dividend. AS 43.23.008. Allowable absences.

(7) providing care for the individual’s terminally ill family member;

(14) serving as a volunteer in the federal peace corps program;

(15) because of training or competing as a member of the United States Olympic Team or a United States national team for an Olympic sport;

(16) participating for educational purposes in a student fellowship sponsored by the United States Department of Education or by the United States Department of State;

(17) for any reason consistent with the individual’s intent to remain a state resident, provided the absence or cumulative absences do not exceed

(B) 120 days in addition to any absence or cumulative absences claimed under (1) - (3) of this subsection if the individual is not claiming an absence under (4) - (16) of this subsection but is claiming an absence under (1) or (2) of this subsection; or

(C) 45 days in addition to any absence or cumulative absences claimed under (1) - (16) of this subsection if the individual is claiming an absence under (4) - (16) of this subsection.

(b) An individual may not claim an allowable absence under (a)(1) - (16) of this section unless the individual was a resident of the state for at least six consecutive months immediately before leaving the state.

(c) [Repealed, § 3 ch 33 SLA 2013.]

(d) After an individual has been absent from the state for more than 180 days in each of the five preceding qualifying years, the department shall presume that the individual is no longer a state resident. The individual may rebut this presumption by providing clear and convincing evidence to the department that

(1) the individual was physically present in the state for at least 30 cumulative days during the past five years; and

(2) the individual is a state resident as defined in AS 43.23.095.

(e) To determine whether an individual intends to return and remain in the state indefinitely, the department shall consider all relevant factors, including

(1) the length of time the individual was absent from the state compared to the length of time the individual was physically present in the state;

(2) the frequency and duration of voluntary return trips to the state during the past five years;

(3) whether the individual’s intent to return to and remain in the state is conditioned on future events beyond the individual’s control;
the ties the individual has established with the state or another jurisdiction, as demonstrated by

(A) maintenance of a home;
(B) payment of resident taxes;

(f) For purposes of (a)(7) of this section, “family member” means a person who is

(1) legally related to the individual through marriage or guardianship; or
(2) the individual’s sibling, parent, grandparent, son, daughter, grandson, granddaughter, uncle, aunt, niece, nephew, or first cousin. (§ 5 ch 44 SLA 1998; am § 1 ch 71 SLA 1999; am § 1 ch 69 SLA 2003; am §§ 1, 2 ch 116 SLA 2003; am §§ 20, 21 ch 42 SLA 2006; am §§ 1, 2 ch 36 SLA 2008; am §§ 1-3 ch 33 SLA 2013)

AS 43.23.011. Application period.

(a) An application for a permanent fund dividend shall be filed during the period that begins January 1 and ends March 31 of that dividend year.

(b) An otherwise eligible individual may apply for a current year dividend after March 31 of that year if the individual was eligible during the application period under (a) of this section for hostile fire or imminent danger pay while serving on active duty as a member of the armed forces of the United States. The individual must apply under this subsection within 90 days after the last day the individual was eligible for hostile fire or imminent danger pay. If the individual was eligible for hostile fire or imminent danger pay on March 31 of the current dividend year, the 90-day application period extension begins on the first day after March 31 that the individual was no longer eligible for the pay.

(c) The commissioner may permit an individual to apply for a permanent fund dividend for any year after the application deadline.
under (a) or (b) of this section if the individual

(1) at any time during the application period for that dividend established in (a) or (b) of this section,
   (A) served on active duty as a member of the armed forces of the United States; and
   (B) was eligible for hostile fire or imminent danger pay; and

(2) demonstrates a reasonable cause for the delay in applying for that dividend. (§ 9 ch 4 SLA 1992; am § 1 ch 112 SLA 2004; am § 22 ch 42 SLA 2006)

AS 43.23.015. Application and proof of eligibility.

(a) The commissioner shall adopt regulations under the Administrative Procedure Act (AS 44.62) for determining the eligibility of individuals for permanent fund dividends. The commissioner may require an individual to provide proof of eligibility, and the commissioner may use other information available from other state departments or agencies to determine the eligibility of an individual. The commissioner shall consider all relevant circumstances in determining the eligibility of an individual. However, the residency of an individual’s spouse may not be the principal factor relied upon by the commissioner in determining the residency of the individual.

(b) The department shall prescribe and furnish an application form for claiming a permanent fund dividend. The application must include

   (1) notice of the penalties provided for under AS 43.23.035;
   (2) a statement of eligibility and a certification of residency;
   (3) the means for an applicant eligible to vote under AS 15.05, or a person authorized to act on behalf of the applicant, to furnish information required by AS 15.07.060(a)(1) — (4) and (7) — (9), and an attestation that such information is true..

(c) Except as provided in (d) of this section or as may be provided by regulations adopted by the department, an individual must personally sign the application for permanent fund dividends, including the certification of residency required under (b) of this section.

(d) The application and certification of residency of an unemancipated individual under 18 years of age or of a disabled or an incompetent individual must be signed by the individual’s parent, legal guardian, or other authorized representative. An individual may complete sign, and file an application on behalf of a member of the armed,
forces of the United States who is serving on active duty outside of the United States if the individual has a power of attorney from the member of the armed forces that authorizes, in specific or general terms, the individual to file that application.

(e) If a public agency claims a permanent fund dividend on behalf of an individual, the public agency shall hold the dividend in trust for the individual. Money held in trust under this subsection shall be invested by the commissioner in accordance with AS 37.10.070.

(f) A minor or a disabled or an incompetent individual may not maintain a claim against the state or an officer or employee of the state based on the manner in which the parent, guardian, or authorized representative other than a public agency of the state managed or disposed of permanent fund dividends received on behalf of the minor or disabled or incompetent individual.

(g) If an individual is aggrieved by a decision of the department determining the individual’s eligibility for a permanent fund dividend or the individual’s authority to claim a permanent fund dividend on behalf of another, the individual may, upon a payment of a $25 appeal fee, request the department to review its decision. Within 12 months after the administrative appeal is filed, the department shall provide the individual with a final written decision. If the individual is aggrieved by the decision of the department after all administrative proceedings, the individual may appeal that decision to the superior court in accordance with AS 44.62.560. An appeal to the court under this section does not entitle the aggrieved individual to a trial de novo. The appeal shall be based on the record of the administrative proceeding from which appeal is taken and the scope of appeal is limited to matters contained in the record of the administrative proceeding. If, as a result of an administrative proceeding or a court appeal, the individual prevails, the $25 appeal fee shall be returned to the individual by the department.

(h) The penalty and enforcement provisions of AS 43.23.035 apply to an individual who claims a permanent fund dividend on behalf of another.

(i) An indigent individual may apply for a waiver of the appeal fee required under (g) of this section. The department shall prescribe and furnish a form for that purpose. The department shall grant the waiver if, during the year immediately preceding the year the form is submitted to the department, the individual was a member of a family with an income equal to or less than the federal poverty guidelines for Alaska set by the United States Department of Health and Human Services.
(j) The application form for claiming a permanent fund dividend must include a place for the applicant to voluntarily indicate that the applicant is a veteran, the branch of service, including the Alaska Territorial Guard, and the dates of service. Notwithstanding AS 43.23.017, the department shall release information provided under this subsection to the Department of Military and Veterans’ Affairs and may not otherwise release the information. The Department of Military and Veterans’ Affairs may only release the information to congressionally chartered veterans service organizations in the state. The application form must contain notice that providing the information under this subsection is voluntary, that the information will be released as provided in this subsection, and that the veterans service organizations are not required to keep it confidential. (§ 1 ch 102 SLA 1982; am § 2 ch 159 SLA 1988; am § 4 ch 107 SLA 1989; am §§ 2, 3 ch 68 SLA 1990; am § 47 ch 21 SLA 1991; am § 2 ch 68 SLA 1991; am §§ 10, 11 ch 4 SLA 1992; am §§ 1, 2 ch 18 SLA 1996; am § 1 ch 83 SLA 2005; am § 1 ch 90 SLA 2008)

AS 43.23.016. Voter registration.
The commissioner shall establish by rule a schedule by which the commissioner will provide, and shall provide as soon as is practicable the director of elections with

(1) electronic records from the permanent fund dividend applications of the information required by AS 15.07.060(a)(1) — (4) and (7) — (9), and the attestation that such information is true, for each permanent fund dividend applicant who

(A) is a citizen of the United States; and
(B) is at least 18 years of age or will be within 90 days of the date of the application; and

(2) the mailing addresses for all permanent fund dividend applicants

AS 43.23.017. Applicant information confidential.
(a) Except as provided in (c) of this section, information on each permanent fund dividend application, except the applicants name, is confidential. The department may only release information that is confidential under this section

(1) to a local, state, or federal government agency;
(2) in compliance with a court order;
(3) to the individual who or agency that files an application on behalf of another;
(4) to a banking institution to verify the direct deposit of a permanent fund dividend or correct an error in that deposit.
(5) as directed to do so by the applicant; and

(6) to a contractor who has a contract with a person entitled to obtain the information under (1) - (5) of this section to receive, store, or manage the information on that person’s behalf; a contractor receiving data under this paragraph may only use the data as directed by and for the purposes of the person entitled to obtain the information.

(7) to the division of elections as required by AS 43.23.016.

(b) Notwithstanding (a) of this section, the department may release the names and addresses of permanent fund dividend applicants to a legislator of this state and to the legislator’s office staff for official legislative purposes. (§2 ch 181 SLA 2004; am §2 ch 92 SLA 2008)

(c) Information submitted on a permanent fund dividend application that is used for the purpose of registering an applicant to vote under AS 43.23.016 shall be kept confidential by the division of elections as provided in AS 15.07.195.

AS 43.23.021. Delayed payment of certain dividends.

(a) Notwithstanding other provisions regarding the payment of permanent fund dividends, if an individual is required to register as a sex offender or child kidnapper under AS 12.63 and has not registered or has not completed the required periodic verifications or notices required under AS 12.63, payment of the dividend for that individual shall be delayed.

(b) If payment of a dividend is delayed, the department shall notify the individual in writing of the delayed payment status, explain the requirements of this section, and request proof of registration and compliance with the verifications and notices required under AS 12.63. The dividend may not be paid unless, within one year after the notification, the department determines that the individual has registered and is in compliance with the verifications and notices required under AS 12.63.

(c) The permanent fund dividend of an individual for whom payment has been delayed, but that remains payable under (b) of this section, is subject to levy, execution, garnishment, attachment, or any other remedy for the collection of debt. The department shall immediately pay that dividend, or the portion of it that has been claimed by a debtor, as provided in AS 43.23.065 – 43.23.068.

(d) If an individual for whom payment of a permanent fund dividend has been delayed but remains payable under (b) of this section dies before the dividend is paid or payable, the department shall pay the dividend to a personal representative of the individual’s estate.
(e) The department shall include notice with the dividend application form of the requirements of (a) and (b) of this section. (§ 32 ch 75 SLA 2008)

AS 43.23.025. Amount of dividend.

(a) By October 1 of each year, the commissioner shall determine the value of each permanent fund dividend for that year by

(1) determining the total amount available for dividend payments, which equals

   (A) the amount of income of the Alaska permanent fund transferred to the dividend fund under AS 37.13.145(b) during the current year;
   (B) plus the unexpended and unobligated balances of prior fiscal year appropriations that lapse into the dividend fund under AS 43.23.045(d);
   (C) less the amount necessary to pay prior year dividends from the dividend fund in the current year under AS 43.23.005(h), AS 43.23.021, and AS 43.23.055(3) and (7);
   (D) less the amount necessary to pay dividends from the dividend fund due to eligible applicants who, as determined by the department, filed for a previous year’s dividend by the filing deadline but who were not included in a previous year’s dividend computation;
   (E) less appropriations from the dividend fund during the current year, including amounts to pay costs of administering the dividend program and the hold harmless provisions of AS 43.23.075;

(2) determining the number of individuals eligible to receive a dividend payment for the current year and the number of estates and successors eligible to receive a dividend payment for the current year under AS 43.23.005(h); and

(3) dividing the amount determined under (1) of this subsection by the amount determined under (2) of this subsection.

(b) [Repealed, § 5 ch 68 SLA 1991.] (§ 1 ch 102 SLA 1982; am § 1 ch 55 SLA 1983; am § 2 ch 43 SLA 1984; am § 2 ch 57 SLA 1987; am § 2 ch 54 SLA 1988; am § 4 ch 68 SLA 1990; am § 1 ch 198 SLA 1990; am § 5 ch 68 SLA 1991; am § 27 ch 134 SLA 1992; am § 2 ch 91 SLA 1998;
AS 43.23.028. Public notice.

(a) By October 1 of each year, the commissioner shall give public notice of the value of each permanent fund dividend for that year and notice of the information required to be disclosed under (3) of this subsection. In addition, the stub attached to each individual dividend disbursement advice must

1. disclose the amount of each dividend attributable to income earned by the permanent fund from deposits to that fund required under art. IX, sec. 15, Constitution of the State of Alaska;
2. disclose the amount of each dividend attributable to income earned by the permanent fund from appropriations to that fund and from amounts added to that fund to offset the effects of inflation;
3. disclose the amount by which each dividend has been reduced due to each appropriation from the dividend fund, including amounts to pay the costs of administering the dividend program and the hold harmless provisions of AS 43.23.075;

The fees shall cover the administrative expenses of the department associated with the claims and assignments. Fees shall be deducted from the amount of the dividend remaining after payment of the portion claimed or assigned, or, if the entire dividend is claimed or assigned, the fees shall be deducted before the dividend is paid to the creditor or assignee. (§ 1 ch 11 SLA 1994; am § 1 ch 64 SLA 2000)

(a) AS 09.38 does not apply to permanent fund dividends taken by the Department of Labor and Workforce Development for a claim
for payment of money owed under AS 23.20 (Alaska Employment Security Act). Notwithstanding AS 09.35, execution on a dividend claimed under this section is accomplished by delivering a certified claim to the Department of Revenue containing the following information:

(1) the name and social security number of the individual whose dividend is being claimed; if the Department of Labor and Workforce Development does not have access to the individual’s social security number for this purpose, the department may supply other identification information authorized under regulations to make a claim under AS 43.23.065;

(2) the amount the individual owes on the claim under AS 23.20;

(3) a statement that

(A) the Department of Labor and Workforce Development has notified the individual that future permanent fund dividends of the individual will be taken to satisfy the claim under AS 23.20;

(B) the individual was notified of the right to request a hearing under AS 23.20 and the Department of Labor and Workforce Development has allowed the individual at least 30 days after the date of the notice described in (A) of this paragraph to request a hearing on the claim;

(C) the claim under AS 23.20 has not been contested, or, if contested, the issue has been resolved in favor of the Department of Labor and Workforce Development; and

(D) if the claim under AS 23.20 has been contested and resolved in favor of the Department of Labor and Workforce Development, an appeal is not pending, the time limit for filing an appeal has expired, or the appeal has been resolved in favor of the department.

(b) The Department of Labor and Workforce Development shall notify the individual if a dividend is claimed under (a) of this section. The notice shall be sent to the mailing address provided in the individual’s permanent fund dividend application and must provide the following information:

(1) the amount of the claim under AS 23.20;

(2) notice that the permanent fund dividend, or that
portion of the permanent fund dividend that does not exceed the amount of the claim under AS 23.20, shall be paid to the Department of Labor and Workforce Development in accordance with priorities established in state law;

(3) notice that the individual has a right to request a hearing and has a specific time after the date that the notice is mailed in which to file with the Department of Labor and Workforce Development an objection to paying the claim from the individual’s permanent fund dividend.

(c) Except as provided in (d) of this section, AS 44.62.330 - 44.62.630 apply to a hearing requested by an individual under (b) of this section. The hearing

(1) is limited to issues of identity of the individual and whether an amount is still owing in the claim under AS 23.20; and

(2) may be conducted telephonically or in writing.

(d) If the Department of Labor and Workforce Development has a notification or hearing procedure established in statute or regulation, the department may instead use that notification and hearing procedure so long as

(1) the procedure provides at least the minimum time for notice specified in (a)(3)(B) of this section for the individual to request a hearing;

(2) the notice includes the statements required by (b) of this section; and

(3) the hearing is limited to the issues specified in (c)(1) of this section.

(e) The Department of Labor and Workforce Development may adopt regulations to implement this section under AS 44.62 (Administrative Procedure Act).

(f) In a claim for payment under this section, the Department of Labor and Workforce Development may include only fines, penalties, overpayments, attorney fees, costs, and other amounts that

(1) are owed the department under other provisions of state law under which the claim under AS 23.20 is being made; and

(2) have been established by court judgment or administrative order. (§ 2 ch 64 SLA 2000)
AS 43.23.073. Claims of the University of Alaska.

(a) AS 09.38 does not apply to a permanent fund dividend taken under AS 14.40.251. Notwithstanding AS 09.35, the University of Alaska may take a permanent fund dividend under AS 14.40.251 by delivering a claim to the department certifying the following information:

1. the name and social security number of the individual whose dividend is being claimed;
2. the amount the individual owes the university; and
3. a statement that
   A. the amount claimed is in default under AS 14.40.251;
   B. the university has notified the individual that future permanent fund dividends will be taken to satisfy the claim;
   C. the individual was notified of the right to request a hearing and allowed 30 days after the date of the notice described in (B) of this paragraph to request the university to hold a hearing on the claim;
   D. the claim has not been contested or, if contested, the issue has been resolved in favor of the university; and
   E. if the claim has been contested and resolved in favor of the university, no appeal is pending, the time limit for filing an appeal has expired, or the appeal has been resolved in favor of the university.

(b) The University of Alaska shall notify the individual of a claim under (a) of this section. The notice shall be sent to the address provided in the individual’s permanent fund dividend application and must provide the following information:

1. the amount of the claim;
2. notice that the amount of the permanent fund dividend up to the amount of the claim shall be paid to the university to be credited against the individual’s default balance; and
3. notice of the individual’s right to a hearing under (c) of this section.

(c) Within 30 days after the date of the notice under (b) of this section, the individual may request a hearing. AS 44.62.330 - 44.62.630 apply
to a hearing under this subsection. At the hearing, the individual has the burden to show that

1. the university has not sent a notice of default in compliance with AS 14.40.251(b);
2. the notice of default has been rescinded after review under AS 14.40.251(c); or
3. the amount owed by the individual is less than the amount claimed from the permanent fund dividend.

(d) If the amount owed is determined under (c) of this section to be some amount greater than $0, but less than the amount claimed, the University of Alaska may amend its claim to the amount determined to be owing. (§3 ch 43 SLA 2004)

**AS 43.23.075. Eligibility for public assistance.**

(a) In determining the eligibility of an individual under a public assistance program administered by the Department of Health and Social Services in which eligibility for assistance is based on financial need, the Department of Health and Social Services may not consider a permanent fund dividend as income or resources received by the recipient of public assistance or by a member of the recipient’s household unless required to do so by federal law or regulation. The Department of Health and Social Services shall notify all recipients of public assistance of the effects of receiving a permanent fund dividend.

(b) An individual who is denied medical assistance under 42 U.S.C. 1396 - 1396p (Social Security Act, Title XIX) solely because of the receipt of a permanent fund dividend by the individual or by a member of the individual’s household is eligible for state funded medical assistance under AS 47.25.120- 47.25.300 (general relief assistance program). The individual is entitled to receive, for a period not to exceed four months, the same level of medical assistance as the individual would have received under 42 U.S.C. 1396 - 1396p (Social Security Act, Title XIX) had there been no permanent fund dividend program.

(c) An individual who is denied assistance solely because permanent fund dividends received by the individual or by a member of the individual’s household are counted as income or resources under federal law or regulation is eligible for cash assistance under AS 47.25.120 - 47.25.300 (general relief assistance program). Notwithstanding the limit in AS 47.25.130, the individual is entitled to receive, for a period not to exceed four months, the same amount

However, nothing prevents a taxpayer from presenting evidence or other information in an informal conference under AS 43.05.240 or in an appeal under AS 43.05.241 in order to rebut the presumed sufficiency of an assessment or return subscribed by the department, nor does the presumption of sufficiency alter the parties’ respective burdens of proof once the taxpayer has presented evidence or other material information to rebut that presumption. 15 AAC 23.103. Application generally.

(a) An individual must use a form prescribed by the department to apply for a dividend. An application signed, delivered, or postmarked before the application period begins is not a valid application. A prescribed application form must be received by the department or postmarked during the application period set by AS 43.23.011 to be considered timely filed. An application mailed before, but postmarked after, the end of the application period is not timely filed. If the envelope in which the application was mailed bears both a private meter stamp and a United States Postal Service or foreign postal service postmark, the department will disregard the meter stamp and use the postal service postmark to determine timely filing.

(b) An application may be made on behalf of an individual after that individual has died only if the

(1) individual died

(A) after the 180-day period of time in the qualifying year as specified in AS 43.23.005(h); in order to be eligible for purposes of AS 43.23.005(h) and this subparagraph, the death certificate for the individual who has died must reflect the 181st calendar day or later of the qualifying year as announced by the department; or

(B) during the period of time specified in AS 43.23.011; or

(2) application was signed by the individual or the individual’s authorized representative before the individual’s death.

(c) An individual applying for a dividend must provide a current mailing and physical address with the application. If a corrected address for the individual is provided to the department by the United States Postal Service or a foreign postal service, the department may use that address. If the individual’s mailing or physical address changes before the dividend is paid or during the appeal or collection process, the individual must notify the department in writing of the change in address. Except in the case of a minor parent filing on behalf of that parent’s own minor child under 15 AAC 23.113(b)(1)(C), the department will not implement a change of address requested by an individual who is a minor unless the individual submits proof satisfactory to the department of emancipation with the request.

(d) An individual born outside Alaska who is filing for a dividend for the first time must submit a certified copy of the individual’s birth certificate issued by the official agency of the other state or country...
responsible for recording births, or must submit an original passport or an original United States naturalization certificate. An individual born in Alaska who is filing for a dividend for the first time need not submit a certified copy of the individual’s birth certificate. However, if the individual was born in Alaska and the department is unable to confirm the birth with Alaska’s division of public health, vital statistics, the individual must submit a certified copy of the individual’s Alaska birth certificate.

(e) Absences that total more than 90 days during the qualifying year must be disclosed on the application. Any absence since January 1 of the qualifying year must be disclosed upon request of the department.

(f) Except as provided in AS 43.23.015(d), 15 AAC 23.113, and 15 AAC 23.123, an individual applying for a dividend must personally sign the certification of residency and eligibility contained on the application form. The department will deny an application if the certification is altered, unless the alteration does not substantially change the content of the certification.

(g) It is an individual’s responsibility to ensure that an application is timely delivered to the department. A paper application must be timely delivered to the department during normal business hours or delivered to the post office in sufficient time to be postmarked before the end of the application period. The department will deny a paper application postmarked after the application period, unless the individual provides the department with an official statement from the United States Postal Service or a foreign postal service that describes the specific circumstances under which the postal service incorrectly posted the individual’s application or caused a delay in posting. An online application must be received electronically by the department by midnight Alaska Daylight Time on the last day of the application period. An applicant’s proof of timely filing an online application is a copy of the computer-generated page containing the permanent fund dividend confirmation number received by the applicant after completing the online filing process that shows that the online application was timely delivered to the department.

(h) If an individual has timely filed an application but the department does not have that application on file, the individual may submit a request to reapply on or before December 31 of the dividend year. A request to reapply must be accompanied by one of the following forms of evidence that an application was timely filed with the
department:

(1) a mailing receipt;

(2) a mailing return receipt documenting delivery to the department, or a receipt issued by the department;

(3) a copy of the computer-generated page containing the permanent fund dividend confirmation number received by the applicant after completing the online filing process;

(4) if the previous application was filed on or after January 1, 2009, a notarized affidavit in which the individual attests that the individual mailed or submitted the previous application timely, or a sponsor applying on behalf of the individual attests that the sponsor mailed or submitted the previous application timely; an individual may request to reapply under this paragraph only once during the individual’s lifetime.

(i) Unless the department has initiated a criminal investigation involving the individual or the application, an individual may withdraw an application at any time before payment by notifying the department in writing. An individual may retract the withdrawal only during the application period by filing a new application before the end of the application period. After the application period closes, the department will not honor a retraction of the withdrawn application.

(j) The department will deny an application if the department determines that an individual intentionally, recklessly, or negligently provided false information or omitted material facts, including failure to disclose a reportable absence to the department.

(k) An electronic signature satisfies the personal signature requirements of (f) of this section if the electronic signature is

(1) executed or adopted by the individual with the intent to attest to a statement concerning the applicant’s residency and eligibility;

(2) verified by the electronic signature verification system designated by the commissioner of administration and established in 2 AAC 05.200 - 2 AAC 05.295; and

(3) is securely linked to the application form and stored together with the application as one document.

(m) The application must include the names, addresses, and telephone numbers of adult Alaska residents who can attest to facts relating to the individual’s length of residence and physical presence in Alaska.

(n) In this section,

(1) “electronic signature” has the meaning given in AS 09.80.190;

(2) “statement” has the meaning given in AS 11.56.240. 15 AAC 23.113. Application on behalf of a child.

(a) An application for a dividend filed on behalf of a child must comply with the requirements of 15 AAC 23.103.

(b) A child who otherwise qualifies is eligible to receive a dividend if the child is

(1) in the lawful and physical custody of an individual who meets the requirements of a sponsor under (c)(1) of this section and who

(A) is eligible for the dividend or would have been eligible for the dividend had the sponsor filed timely;

(B) was ineligible for the dividend due to AS 43.23.005(d) or due to having forfeited the dividend under AS
43.23.035(a) or (c); or a minor parent filing on behalf of that parent’s own minor child;

(2) in the custody of an agency of the state; or

(3) released into the child’s own custody by the Alaska Department of Health and Social Services under a court order; or

(4) in the custody of a tribal court of an Alaska Native entity within this state and on the list issued under 25 U.S.C. 479a-1 (Federally Recognized Indian Tribe List Act) of federally recognized Indian entities.

(c) An application for a dividend may be filed on behalf of a child only by

(1) a sponsor who is
   (A) a natural or adoptive parent of the child
   (B) the legal guardian of the child;
   (C) a minor parent of the child; or
   (D) except as provided in (2) of this subsection-

   or (e) of this section, an authorized representative, if the authorized representative demonstrates to the satisfaction of the department that a need exists to sponsor the child, and the child does not have a sponsor under (A) - (C) of this paragraph; an authorized representative applying on behalf of a child must have had lawful and physical custody of the child at the time of application and for the majority of the qualifying year, or must be applying in accordance with a court order; or

(2) a representative of the Department of Health and Social Services for a child who is in that department’s custody during the application period.

(d) If the department accepts an application filed on behalf of a child by a sponsor under (c)(1) of this section, the department will not determine the child’s eligibility until the time when the sponsor’s eligibility has been determined.

(e) A child whose adoption is pending during the qualifying year and who otherwise qualifies is eligible for a dividend regardless of the child’s alienage or length of residency if

(1) the child’s sponsor is a resident and was a resident during-
the entire qualifying year;

(2) the sponsor has physical custody of the child before the end of the qualifying year; and

(3) the adoption is ultimately finalized according to state law.

(f) The department will not determine the eligibility of a child being adopted until the sponsor provides documentation, satisfactory to the department, that the adoption has been finalized according to state law.

(g) The department may require an individual applying on behalf of a child to provide evidence of the individual’s authority to apply on behalf of the child, including

(1) the child’s birth certificate issued under AS 18.50 or under other similar provisions of law of another jurisdiction, showing the name of the individual making application as a parent of the child;

(4) other information demonstrating the individual’s qualification to apply for a dividend on behalf of the child.

(h) The department will accept another eligible individual as a substitute sponsor of a child if the child meets all eligibility requirements but does not have an eligible sponsor on file with the department, so long as the substitute sponsor meets the requirements of a sponsor. The department will not approve the child’s application for payment until the time when the substitute sponsor has been determined to be eligible by the department.

(i) The department will reverse a denial of a child’s permanent fund dividend application if the child was denied only due to the ineligibility of the child’s original sponsor and the child’s original
15 AAC 23.123. Application on behalf of a disabled, incompetent, or other adult.

(a) An application for a dividend filed on behalf of another adult must comply with the requirements of 15 AAC 23.103.

(b) An application for a dividend may be filed on behalf of a disabled adult only by the disabled adult’s spouse, parent, legal guardian, or other authorized representative. Medical documentation regarding the disability must be provided with the disabled individual’s application.

(c) An application for a dividend may be filed on behalf of an incompetent adult only by the incompetent adult’s parent, guardian, or conservator appointed under AS 13.26 or under other similar provision of law of this state or of another jurisdiction.

(d) An individual, to whom a power of attorney has been granted, may file an application for a dividend on behalf of an adult, if the power of attorney is a general power of attorney or the power of attorney specifically authorizes the individual to file a dividend application on the adult’s behalf.

15 AAC 23.133. Application for a prior year dividend.

(a) Except as provided in (b) - (e) of this section, application for a prior year dividend will be denied by the department.

(b) An individual who has reached majority, or who is an emancipated minor, may apply to the department for a prior year dividend if

(1) the individual had not reached majority by the end of the application period for the dividend year for which the individual is applying;

(2) a complete application was not filed by an eligible sponsor on the individual’s behalf, was not timely filed, or, solely as a result of competing applications being filed, was not paid; and

(3) the individual would have qualified for a dividend had an eligible sponsor applied on the individual’s behalf during the pertinent dividend year.

(c) An individual who qualifies under (b) of this section must file, before the individual reaches 20 years of age, an application prescribed by the department.

(d) If an individual was disabled, as defined in AS 43.23.095, during the application period of the prior year and, as a result of the disability, did not timely file an application, that individual or an authorized representative may submit an application for the prior year dividend. A certification from a licensed health care provider must be provided with the disabled individual’s application. The certification from a licensed health care provider must include

(1) confirmation that the individual was disabled on March 31 of the dividend year for which the individual is applying; and

(2) a statement explaining why the disability prevented the applicant from timely filing an application during the application period of the dividend year for which the individual is applying.

(e) Except for extraordinary circumstances as determined by the department, an application for an individual who qualifies under (d) of this section must be filed within one year after the end of the application period pertaining to the dividend for which the individual is applying.
(f) Repealed 5/22/2016.

(g) A representative of the Department of Health and Social Services may file an application for a child who was in that department’s custody when the prior year’s application was due, but on whose behalf an application was not filed. The application must be filed within one year from the end of the prior year’s dividend application period.

(h) If a representative of the Department of Administration, office of public advocacy failed to apply for a dividend for an individual who was a ward of the agency on December 31 of the prior qualifying year, and the department does not have a timely filed application on file for the individual, a representative of the office of public advocacy may submit an application on the individual’s behalf for the prior year’s dividend.

(i) Except for extraordinary circumstances as determined by the department, an application for an individual who qualifies under (h) of this section for the prior year’s dividend may be filed only by a Department of Administration, office of public advocacy representative and must be filed within one year after the end of the prior year’s dividend application period.

15 AAC 23.143. Establishing and maintaining Alaska residency.

(a) An individual’s intent to establish residency, remain indefinitely in Alaska, or to return to Alaska and remain indefinitely is demonstrated through the establishment and maintenance of customary ties indicative of Alaska residency and the absence of those ties elsewhere. Acts that are required by law or contract or are routinely performed by temporary residents of Alaska are not by themselves evidence of residency. In evaluating whether an individual claiming Alaska residency has demonstrated an intent to remain indefinitely in Alaska, the department will consider whether or not an individual
has:

(1) taken steps to establish Alaska residency and sever residency in a previous state or country;

(2) ties to another state or country that indicate continued residency in the other state or country; and

(3) taken other action during the qualifying year, through the date of application, that is inconsistent with an intent to remain in Alaska indefinitely.

(b) An individual may not become a resident while absent from Alaska.

(c) Physical presence in Alaska is not, by itself, sufficient to establish residency. Before January 1 of the qualifying year, an individual must have taken at least one step beyond physical presence in Alaska to establish residency. The department will not consider external indicators, including those listed in 15 AAC 23.173(g), established less than six months before December 31 of the qualifying year as evidence of the establishment of Alaska residency in time to qualify for the current year dividend.

(d) An individual is not eligible for a dividend if, at any time from January 1 of the qualifying year through the date of application, the individual has

(1) maintained the individual’s principal home in another state or country, regardless of whether the individual spent a majority of time at that home, except while absent for a reason listed

(A) in AS 43.23.008(a)(1) - (3), (9) - (11), or (16); or

(B) in AS 43.23.008(a)(13), if the eligible resident whom the individual accompanies is absent for a reason listed in (A) of this paragraph;

(2) claimed or maintained a claim of residency in another state or country in the individual’s employment personnel records; if the individual claims an error or a delay was made in processing by the personnel office, the individual must submit

(A) from the personnel office, a certified copy of the individual’s request to change the individual’s state of legal residence; or

(B) a sworn statement from the personnel officer who has specific knowledge that the personnel office made an
error, or caused a delay, in processing the individual’s personnel records; the personnel officer must state the exact date the records show the original request was received and why the request was not processed timely;

(3) claimed a non-resident motor vehicle tax exemption in Alaska;

(4) accepted full-time, permanent employment in another state or country except while on an absence listed

(A) in AS 43.23.008(a)(1) - (3), (9) - (11), or (16); or

(B) in AS 43.23.008(a)(13), if the eligible resident whom the individual accompanies is absent for a reason listed in (A) of this paragraph;

(5) filed a resident or part-year resident income tax return in another state or country and the claim of residency on the return is for any period of time beginning January 1 of the qualifying year through the date of application, unless the individual

(A) was required by the other state or country to file a return claiming resident tax status in that state or country even though the individual was a state resident as defined in AS 43.23.095; or

(B) files in the other state or country an amended return claiming nonresident tax status and provides proof to the department that the amended return was actually filed in the other state or country;

(6) claimed or maintained a claim of a homestead or homeowner’s property tax exemption in another state or country, that required the individual to be a resident of that state or country, unless the individual

(A) files an amended homestead or homeowner’s property tax exemption claim deleting the claim or residency; and

(B) provides evidence from the other state or country that the individual filed an amended homestead or homeowner’s property tax exemption claim deleting the claim of residency;
(7) applied for or received an education loan from another state or country that required an individual to be a resident of that state or country;

(8) disclosed in a court proceeding or affidavit that the individual is a resident of another state or country;

(9) executed a will that described residency in another state or country;

(10) moved from Alaska,

(A) for a reason other than one listed
   (i) in AS 43.23.008 (a)(1) - (3), (9) - (11), or (16); or
   (ii) in AS 43.23.008(a)(13), if the eligible resident whom the individual accompanies is absent for a reason listed in (i) of this subparagraph; and

(B) claiming moving expenses as a deduction on the individual's federal income tax return, unless the individual
   (i) files an amended federal income tax return deleting the claimed moving expenses as a deduction; and
   (ii) provides proof from the Internal Revenue Service that the individual filed an amended return;

(11) accepted admission under resident tuition provisions to a college or university in another state or country, unless

(A) there was no difference between resident and nonresident tuition;

(B) nonresident tuition was waived as part of an interstate exchange agreement such as the Western Interstate Commission for Higher Education (WICHE) student exchange program or the Washington Wyoming Alaska Montana Idaho (WWAMI) medical education program; or

(C) the individual was granted admission under resident tuition provisions for any other reason that did not require the individual to be a resident of the state or country in which the college or university is located;
(12) registered to vote in another state or country, except if the individual
(A) registered to vote in another state no more than 60 days before a presidential election solely for the purpose of voting in that election and did not vote in any other election in another state other than for president of the United States; or
(B) registered to vote in another country for which the individual was not required to claim residency of the country in order to register to vote;

(13) voted in another state’s or country’s state, country, or local election, except if the individual voted in an election described in this paragraph and the individual was not required to claim residency in order to vote;

(14) obtained a resident hunting, fishing, or trapping license from another state or country;

(15) filed for divorce, dissolution, or legal separation in another state or country that required the individual to be a resident of that state or country in order to file the action;

(16) repealed 1/1/2010;

(17) obtained any other benefit or benefits as a result of establishing or maintaining any claim of residency in another state or country or by disclaiming Alaska residency, except that the department will not deny a dividend to an individual solely because the individual received Medicaid benefits from another state if the individual’s application for Medicaid was consistent with the intent to maintain residency in Alaska.

(e) Regardless of alienage, a child born outside Alaska to an eligible resident on an allowable absence, adopted by an eligible resident, or whose adoption by an eligible resident is pending during the qualifying year, establishes Alaska residency in the child’s own right immediately upon the child’s arrival in Alaska if the child’s custodial parent or guardian is an eligible resident at the time of the child’s arrival in Alaska.

(f) An individual absent from Alaska as a dependent of an eligible resident who as soon as reasonably possible, as determined by the department, after emancipation does not return to Alaska and establish Alaska residency as an adult is not eligible for a dividend.
A newly emancipated individual who was absent from Alaska as a dependent of an eligible resident who returns to Alaska as soon as reasonably possible, as determined by the department, after emancipation and who establishes external indicators of Alaska residency as an individual is not subject to the six month physical presence requirements of 15 AAC 23.163(b).

(g) A resident who marries a nonresident while physically present in Alaska is considered to have the intent to remain indefinitely in Alaska until the resident takes steps or actions to depart Alaska.

(h) An individual who on the date of application knows the individual will be moving from Alaska at a specific time to a specific destination for a reason other than one allowed by AS 43.23.008(a) does not have the intent to remain indefinitely in Alaska and is not eligible for a dividend.

(i) The eligibility of a resident who marries a nonresident while absent from Alaska is not changed by the marriage, so long as the resident is absent for the resident’s own allowable reason.

(j) The fact that an individual’s spouse has not declared Alaska residency does not establish a presumption that an individual is not a resident.

15 AAC 23.154. Eligibility of aliens.

(a) The department will consider an alien to be lawfully admitted for permanent residence if the alien provides verification that the alien has been assigned a status under 8 U.S.C. 1101 – 1189 (Immigration and Nationality Act) that allows the alien to adopt the United States
as the alien’s domicile, including the following statuses:

(1) status as an immigrant within the meaning of 8 U.S.C. 1101(a)(15), as verified by the USCIS;

(2) status as a nonimmigrant within the meaning of 8 U.S.C. 1101(a)(15), as verified by the USCIS, if that status does not require the alien to declare that the alien has a residence in a country other than the United States;

(3) indefinite parole into the United States under 8 U.S.C. 1182(d)(5), as verified by the USCIS;

(4) a status described in 8 U.S.C. 1186a (Conditional Permanent Resident Status for Certain Alien Spouses and Sons and Daughters) or 8 U.S.C. 1186b (Conditional Permanent Resident Status for Certain Alien Entrepreneurs, Spouses, and Children), as verified by the USCIS.

(b) The department will not consider an alien to be lawfully admitted for permanent residence if the USCIS assigns the alien a status that requires the alien to declare that the alien has a residence in a country other than the United States.

(c) The department will consider an alien to be a state resident for purposes of AS 43.23.005(a)(3) on the date that the alien can demonstrate, to the satisfaction of the department, that the alien has formed the intent to remain indefinitely under the requirements of AS 43.23 and this chapter. The qualifying year for dividend eligibility for an alien who is a state resident begins on January 1 of the calendar year after the date the alien is lawfully admitted for permanent residence in the United States under this chapter, granted asylum under 8 U.S.C. 1158, or granted refugee status under 8 U.S.C. 1157 or 8 U.S.C. 1159.

(d) If an alien may adopt the United States as the alien’s domicile, but has been assigned, under 8 U.S.C. 1101 – 1189 (Immigration and Nationality Act), a nonimmigrant status allowing only a limited stay in the United States, the department will not consider the alien to be a resident under AS 43.23.005(a)(3) and this section, unless the department finds that the alien has taken a significant step to convert or adjust to a permanent or indefinite status. A significant step includes the filing of a petition or application with the USCIS.

(e) An alien seeking eligibility under this section has the burden of proving that on the date of the dividend application the alien was
lawfully admitted for permanent residence as described in (a) of this section, granted asylum under 8 U.S.C. 1158, or granted refugee status under 8 U.S.C. 1157 or 8 U.S.C. 1159.

(f) A foreign-born child adopted by an eligible resident is not subject to this section.

(g) For purposes of this section,

(1) “alien” has the meaning given in 8 U.S.C. 1101(a)(3), as revised as of September 1, 2001 and adopted by reference;

(2) “USCIS” means the United States Citizenship and Immigration Service. (Eff. 10/17/2001, Register 160; am 1/1/2005, Register 172)

(b) An individual who was absent from Alaska for more than 180 days is not eligible for a dividend if the individual

(1) was not a state resident for at least 180 days immediately before departure from Alaska;

(2) repealed 1/1/2000.

(A) at an academic institution for any of the 7th - 12th grades consistent with (d) of this section;

(B) for the purpose of pursuing a vocational certificate, associate, baccalaureate, or graduate degree, as a full-time student at a college, university, junior or community college, or postsecondary vocational institution accredited by an accrediting agency that
the United States Secretary of Education recognizes under 34 C.F.R. Part 602, or full-time participation in an internship program if the internship is required by the college or university as part of the student’s academic program; for the purposes of this subparagraph, an individual in the last academic year before graduation who was carrying enough credits to graduate, but fewer than full-time credits for any one term, semester, or quarter, is considered to have been a full-time student at that time; or

(C) the purpose of pursuing a vocational certificate, associate, baccalaureate, or graduate degree, as a full-time student

(i) at a Title IV institution recognized under 20 U.S.C. 1001 – 1155 (The Higher Education Act of 1965) and 34 C.F.R., Part 600; or

(ii) at a non-accredited college or university if students attending the college or university may qualify as eligible to receive a student loan from Nellie Mae, or if the college or university’s credits or degrees are accepted by at least three Title IV institutions recognized under 20 U.S.C. 1001 – 1155 (the Higher Education Act of 1965) and 34 C.F.R., Part 600;

(D) for the purposes of completing an internship or residency program at a hospital or medical clinic;

(2) AS 43.23.008(a)(2), receiving vocational, professional, or other specific education on a full-time basis means attending a program for which, as determined by the Alaska Commission on Postsecondary Education, a comparable program is not reasonably available in the state; the out-of-state program must be at an educational institution eligible to participate in financial aid programs administered by the Alaska Commission on Postsecondary Education.

(d) An individual clearly demonstrates that the primary reason for the individual’s absence is to obtain a secondary education by living at a boarding school while attending grades 7 - 12 at an out-of-state institution. An individual who lives with an ineligible parent or ineligible permanent legal guardian while attending an out-of-state
institution has not demonstrated that the primary reason for the individual’s absence is to obtain a secondary education.

(a) An individual must indicate, on forms prescribed by the department, information required by the department that will support the claim of residency and physical presence in Alaska as required by AS

(b) The department will, in its discretion, require an individual to provide other information to accompany the individual’s application. If the department notifies an individual that the information included on, or provided with, the application form is insufficient for any reason, the individual must provide the additional information as requested by the department. If the other information requested by the department is not available at the time of application or the request, the individual must specify why the information is not available, and the date by which the information will be submitted to the department.

(c) An individual must provide all information requested by the department for processing within 30 days after the date of the request. Information delivered to the department or postmarked within 30 days after the date of the request is considered timely. An individual may request, for good cause, an extension of the 30 days to respond to a department request for information. If the department determines that good cause exists and grants an extension, the department will determine the time period of the extension on a case-by-case basis. Information not timely received will not be considered in the initial eligibility determination; however, it may be considered on subsequent appeal.

The department will, in its discretion, require additional proof of the individual’s intent to remain in Alaska.

(f) An individual described in this subsection may be eligible to receive a dividend if, with the application, the individual provides documentation that demonstrates to the department’s satisfaction an intent to remain indefinitely in Alaska despite the nature of the individual’s employment in Alaska. The department may require additional proof of the individual’s intent to remain in Alaska. This subsection applies to

(1) an individual transferred to Alaska on temporary assignment
by the individual’s employer for a definite period of time;

(2) an individual who is employed in Alaska on a seasonal basis;

(3) an individual who is working in Alaska under a contract that requires the employer to return the individual to a place outside of Alaska at the end of the contract; or

(4) an individual who is employed in Alaska but who maintains a home or other abode outside Alaska to which the individual regularly travels.

(g) Proof bearing on an individual’s intent to remain indefinitely in Alaska might be any proof acceptable to the department, including

(1) a contract to move household goods to Alaska, except when there is a contract to move household goods from Alaska at the end of the individual’s employment;

(2) proof of home ownership, a home purchase contract, rent receipts, or other proof that the individual maintains a principal place of abode in Alaska, except when housing is provided as a part of an employment contract;

(3) employment and unemployment records, including a copy of the leave and earnings statement of a military member for

(A) December of the year before the qualifying year; and

(B) the most recent month;

(4) tax records;

(6) other documentation of completed travel that displays this state as the point of origin or destination.

(i) The burden of proof rests on an individual claiming an allowable absence to prove that the individual has maintained, at all times during the absence, the intent to return and remain indefinitely in Alaska.

(j) If an individual is denied under (d) of this section, the department will reverse the denial if the

(1) only reason the individual was denied was because the individual failed to provide requested information for processing timely;

15 AAC 23.203. Assignments.

(a) The department will not implement an assignment, or a transaction, of whatever nature, that the department determines to be an assignment, of a dividend unless the assignee named is an agency authorized to receive an assignment under AS 43.23.069.

(b) An assignment of a dividend may not be made if application for the dividend was made on behalf of a child or made on behalf of an incompetent or disabled adult, except that the dividend of a child may be assigned to satisfy restitution agreed to, or required under AS 47.12.120 or to satisfy a court-ordered fine or judgment for court-appointed attorney fees.

(c) Once an assignment is made and submitted to the department, a retraction of that assignment by the assignor will not be honored by the department.

(d) An assignment must be made in writing on a form provided by the department, signed by the assignor, and properly executed in the presence of two disinterested witnesses or a notary public, and filed with the department before the final processing of the assignor’s dividend application. However, assignments made on behalf of a child must be executed by the sponsor of the original application or by an official appointed by the state court system.

(e) Repealed 1/1/2002.

(f) Upon receipt of a written request from an applicant, the department will change an applicant’s University of Alaska College Savings Plan check-off response. The department will not guarantee processing of a request received after August 1 of the dividend year.

(g) If, for purposes of AS 43.23.065(d), April 1 falls on a Saturday, Sunday, or state holiday, the date becomes the next working day. 15 AAC 23.213. Attachments.

(a) Notwithstanding the provisions of AS 43.23.065, 100 percent of a dividend payable to an individual under AS 43.23.005 - 43.23.095 is available for attachment in the collection of money owed to the United States if the notice of levy served on the department by an agency of the United States under federal law preempts state law.

(b) Except as provided in (h) of this section, a writ of execution issued to enforce a judgment of the court must be served in the manner set out in Rule 4(c)(1) of the Alaska Rules of Civil Procedure. A service by certified mail, return receipt requested, may only include one Notice of Levy/Writ of Execution. Service may be made in writing upon the department on the department’s website, or in person only at locations designated by the department during the hours the location is open to the public.

(c) As required by AS 09.35.110, a notice of levy must accompany a writ of execution. If the notice of levy is made electronically, a CD-ROM containing the image of the writ of execution must be received by the department no later than 10 days after successful submission of the levy file. If the notice of levy is made in person, the writ of execution must be submitted with the levy file. A notice of levy that is submitted without the required writ of execution will be rejected.

(d) In order to establish a positive identification between the attachment and an individual’s dividend file, the department will require a three-point match. All matches between the attachment and the dividend file must be exact. The matches will be made against any three of the following:

1. first name;
2. date of birth;
3. social security number; or
4. last name.

(e) The individual whose dividend was attached may not maintain a claim against the department for honoring the attachment.

(f) A levy under a writ of execution or an equivalent document will be placed only against an individual’s current year dividend. However, the limitation of this subsection does not apply if the equivalent document is an administrative withholding order issued by the
department's child support services agency for the collection of child support.

(g) Notwithstanding the requirements of AS 43.23.065(c), if the department is served with an order of a bankruptcy court related to an individual eligible for a dividend at least 10 days before payment of the dividend, the department will issue the individual's dividend to the bankruptcy court or trustee.

(h) A government agency that has administrative levy power may perform service through its own agent or by electronic media. All services by electronic media must be accompanied by

(1) repealed 1/1/2008;

(2) a completed form provided by the department on which the agency certifies that

   (A) the information on the electronic media is correct and complete;

   (B) the agency has identified the individuals on the electronic media file in accordance with the criteria of (d) of this section; and

   (C) each dividend to be levied is supported by an administrative levy.

(i) Attachments, garnishments, or levies served on the department must be received not later than August 31 to be processed for the first payment of the dividend year. Services received on the same date and at the same time at any of the following locations will be processed by the department in the following order:

(1) those submitted electronically on the department’s website, which will be made available at 7:00 a.m. Alaska Daylight Time on April 1 as described in (j) of this section; for purposes of this paragraph, the date and time of service are the date and time the submitter initiated upload of a successful submission of a levy file on the department’s website; successfully submitted levy files will received a confirmation number;

(2) those personally delivered to the department in Juneau;

(3) those personally delivered to the department in Anchorage;

(4) those personally delivered to the department in Fairbanks;
(5) those delivered by certified mail to the department in Juneau.

(j) For the purposes of AS 43.23.065(d) and this section, if April 1 falls on a Saturday, Sunday, or state holiday, the date becomes the next working day. 15 AAC 23.223. Payment of dividends.

(a) Repealed 1/1/2005.

(b) An eligible individual, including a child, may qualify to have the department directly deposit the individual’s dividend into the individual’s financial institution account, if the

(1) individual or the individual’s sponsor specifically requests in writing direct deposit of the dividend;

(2) individual or the individual’s sponsor provides in writing a valid account number for a financial institution that has entered into agreement with the department to participate in direct deposit of dividends;

(3) individual or the individual’s sponsor provides the department a valid social security number;

(4) participating financial institution communicates

(A) that the institution has an open account exactly matching the account number provided by the individual or the individual’s sponsor; or

(B) repealed 8/22/97;

(C) that, if the institution records do not exactly match the information in (A) of this paragraph, the institution has enough corroborating information regarding the account to ensure the deposit will be made to the individual’s or the individual’s sponsor’s account and the institution
indemnifies the department against deposit errors resulting from that institution’s inability to exactly match the information in (A) of this paragraph; and

(5) individual’s application is not missing information or still subject to an eligibility determination when direct deposit payments are made by the department.

(c) Upon the request of the sponsor of an eligible child, the department will deposit the child’s dividend into the sponsor’s account provided the requirements of (b) of this section are met.

(d) The department will electronically deposit the dividends of all individuals who qualify for direct deposit under (b) and (c) of this section as the first payments issued each year.

(e) An individual who does not qualify for direct deposit or who does qualify, but for whom the department does not make a direct deposit of the individual’s dividend to the individual’s account, may not maintain a claim against the department. A child whose dividend has been directly deposited into the child’s sponsor’s account under the provision of (c) of this section may not maintain a claim against the department for honoring the request of the sponsor.

(f) The department will make payment of an assigned or attached dividend in accordance with AS 43.23.065, 15 AAC 23.203, and 15 AAC 23.213.

(g) The department will pay a dividend to a public agency trust account established in accordance with AS 43.23.015(e) if the

(1) public agency claims a dividend on behalf of an individual;

(2) public agency timely provides the department with a court order showing the agency has been granted guardianship or conservatorship of the individual; and

(3) individual is otherwise eligible for the dividend.

(h) If competing applications are timely filed on behalf of an eligible child, the department will not pay any dividend for the child unless

(1) all adults who have timely filed for that child have consented in a signed statement to payment on only one of the timely filed applications;

(2) all but one adult have submitted signed statements withdrawing all timely filed competing applications filed on
behalf of the child;

(3) the department receives a court order directing the department to send the child’s dividend to the court or to one of the adults who filed timely on behalf of the child;

(4) one of the timely filed competing applications was filed by the Department of Health and Social Services under 15 AAC 23.113(c)(2); or

(5) the child applies and qualifies for the dividend under the provisions of 15 AAC 23.133(b).

(i) An application timely filed by the Department of Health and Social Services for an eligible child under the provisions of 15 AAC 23.113(c)(2) will be paid over all timely filed competing applications in accordance with (g) of this section. If the Department of Health and Social Services obtains legal custody of an eligible child before the department has paid an application filed by any other sponsor of the child, the department will pay the child’s dividend in accordance with (g) of this section if the Department of Health and Social Services furnishes the department

(1) evidence of the change in legal custody; and

(2) a timely request for a change of address.

(j) If competing applications are timely filed on behalf of an eligible disabled or incompetent adult, the department will not pay any dividend for the adult unless

(1) all individuals or agencies who have timely filed for the adult have consented in writing to payment of only one of the timely filed applications;

(2) all but one individual or agency have withdrawn all timely filed competing applications filed on behalf of the adult;

(3) the department receives a court order directing the department to pay one of the individuals or agencies who timely filed on behalf of the adult; or

(4) one of the competing timely filed applications was filed by the Department of Administration, office of public advocacy.

(k) An application timely filed by the Department of Administration, office of public advocacy, for an eligible adult under 15 AAC 23.123 will be paid over all timely filed competing applications in accordance
with (g) of this section. If the Department of Administration obtains legal custody of an eligible adult before the department has paid an application filed by any other sponsor of the adult, the department will pay the adult’s dividend in accordance with (g) of this section if the office of public advocacy furnishes the department

(1) evidence of the change in legal custody; and
(2) a timely request for a change of address before the dividend is issued.

(l) An individual who does not redeem a dividend because the warrant was returned to the department as undeliverable, or because the individual failed to redeem the warrant within six months, may apply to the department for the dividend to be reissued.

(m) Repealed 1/1/99.

(n) The department will calculate the amount of dividends that would have been paid to individuals who were ineligible to receive dividends under AS 43.23.005(d) if they had otherwise been eligible, by applying the percentage of individuals on the lists provided annually to the department under AS 43.23.055(5) who apply for a dividend and are determined to be otherwise eligible had that person not been declared ineligible for a dividend under AS 43.23.005(d), to the total number of individuals on the lists provided annually. 15 AAC 23.233. Disallowance of claims and recovery of assessments.

(a) The department will, in its discretion, recover a dividend payment from the individual who received a payment or from the individual who applied on behalf of another individual, and, in the case of multiple payments made to another individual, from any individual who applied for and received one of the multiple payments if the department determines that

(1) an individual was not qualified to apply on behalf of another
individual;

(2) the other individual was not eligible for the dividend; or

(3) more than one payment was made on behalf of the other individual.

(b) If an individual who applies for a dividend on behalf of another becomes subject to the forfeiture provision of AS 43.23.035, that individual forfeits not only the dividend payment that was wrongfully claimed on behalf of another, but also forfeits all dividends that the individual has received in the past and all dividends for which the individual would otherwise be eligible in the future.

(c) The department will not assess a previously paid ineligible individual if the individual’s application or the individual’s sponsor’s application was either previously reviewed by the department’s review unit and approved for payment, or was paid upon appeal, as long as

(1) the individual did not attempt to defraud the state;

(2) no significant previously undisclosed facts come to light;

(3) the application was complete with no relevant questions unanswered; and

(4) the only reason the sponsored individual was ineligible was due to the ineligibility of the sponsor.

(d) The department will withhold payment of a dividend of an individual if the department is holding a valid unpaid prior year assessment against that individual and the individual has not exhausted all appeal rights.

(e) The department will offset an assessment against a dividend of an individual if the individual has exhausted all appeal rights. A late appeal from an individual does not stay collection.

(f) A payment on an assessment for a disallowed dividend will be applied first to the unpaid balance of the assessment for the disallowed dividend and next to any accumulated interest. (Eff. 1/1/93, Register 124; am 1/1/2000, Register 152; am 1/1/2002, Register 160)

(a) Repealed 6/5/2011.

(b) As part of the online permanent fund dividend application, the department will provide a search tool to allow selection of a specific beneficiary organization. The beneficiary organization must
provide a physical address for the organization’s place of business in a geographic location in order for the organization to be listed in the online search tool to provide services or aid in the geographic location.

(c) For the purposes of AS 43.23.062(d)(1), the department will consider an educational organization, community foundation, or charitable organization to have filed an application only if that application is complete and timely. For the purposes of this subsection, an application is

(1) timely if it is postmarked on or before March 31 of the qualifying year; and

(2) complete if, when considered along with documents submitted with an application that established eligibility for a prior dividend year, it contains all the information required for the department to make the determinations required by AS 43.23.062(d)(2) – (9), including copies of documents necessary to determine eligibility.

(d) For the purposes of AS 43.23.062(d)(2) and (3), the department will verify the tax-exempt status of an educational organization, community foundation, or charitable organization when the organization provides a copy of the tax-exempt determination letter issued by the Internal Revenue Service.

(e) For the department to verify compliance with AS 43.23.062(d)(4), an educational organization, community foundation, or charitable organization must provide a copy of the beneficiary organization’s current Internal Revenue Service Form 990 on file with the Internal Revenue Service for the most recently completed fiscal year. If a filing extension has been submitted for that fiscal year, the beneficiary organization’s application must contain a copy of the request for an extension and a copy of the Internal Revenue Service Form 990 for the next most recently completed fiscal year. A beneficiary organization may meet the requirements of this subsection by providing a copy of

(1) the online filing confirmation, if the organization files an Internal Revenue Service Form 990N;

(2) the entire form, if the organization files an Internal Revenue Service Form 990EZ; or

(3) page 1, if the organization files an Internal Revenue Service
Form 990.

(f) For the department to verify compliance with AS 43.23.062(d)(5), an educational organization, community foundation, or charitable organization must certify in the beneficiary organization’s application that

(1) the majority of the members of the organization’s board of directors or local advisory board who are holding office during the qualifying year are residents of the state and

(2) all members of the organization’s board of directors or local advisory board serve without monetary compensation.

(g) For the department to verify compliance with AS 43.23.062(d)(6), an educational organization, community foundation, or charitable organization must certify in the application that it provided aid or services in the state during the two calendar years that immediately precede the year the application is filed, and an organization other than a community foundation must declare in the application the charitable purpose for which it provides aid or services in the state. In addition to considering the certification and any declaration required by this subsection, the department will consider the date the Internal Revenue Service granted the organization tax-exempt status.

(h) For the department to verify compliance with AS 43.23.062(d)(7), an educational organization, community foundation, or charitable organization must certify in the beneficiary organization’s application that the organization receives at least $100,000 or five percent of the organization’s total annual receipts, whichever is less, from contributions. The annual receipts figure must be the same as that reflected in part III of the Internal Revenue Service Forms 990 for the most recently completed fiscal year if filing is required by law.

(i) For the purposes of AS 43.23.062(d)(8), an educational organization, community foundation, or charitable organization must provide in its application either

(1) a copy of the audited financial statement, including the auditor’s opinion letter, covering the fiscal year for the Internal Revenue Service Form 990 submitted under (e) of this section; or

(2) a certification that the organization’s budget for that period was $250,000 or less.
Withdrawal or change of contribution
An individual may withdraw or change an election to contribute to a beneficiary organization made on the online application only as provided in this section. In order to be effective, an individual must complete the online process to change or withdraw an election through the department’s website on or before August 31 of the dividend year.

Authorized notification of contribution
(a) The department will provide a place on the online application form where an individual filing for a permanent fund dividend may authorize a limited release of information gathered in the form to the beneficiary organizations selected to receive a contribution from the individual’s dividend. On the online application form, the department will include a question asking whether an individual consents to a release of the name and mailing address of the individual making the contribution to the beneficiary organization and the amount of the contribution. The release of information will be permitted to allow the beneficiary organization to acknowledge the contribution and to explain how the contribution will be expended. On the online application form, the department will include a disclosure that a beneficiary organization receiving information released under this section is not required to keep the information confidential.

(b) On the online application form, the department will include a means by which the individual may answer “yes” or “no” to the authorization question. Failure to answer the authorization question will be considered to be a refusal of authorization to release information, other than information specifically authorized for release by law.

(c) A parent or legal guardian may consent to the release of information authorized in this section on behalf of a minor child. A person authorized by 15 AAC 23.123 to file for a dividend on behalf of an adult may consent to the release of information authorized in this section on behalf of the adult. The department will send the decision by electronic mail or facsimile transmission to the organization. To appeal from that decision, the organization must submit its appeal in writing, and the department must receive the appeal within 15 days after the date of the notice of the department’s decision. The organization’s authorized representative must sign the appeal.

(d) The decision on the appeal is a final administrative decision of the department that may be appealed to the superior court under the Alaska Rules of Appellate Procedure. (Eff. 1/1/2009, Register 188)
15 AAC 23.350. Payment of contributions

(c) If a dividend remains unpaid for any reason after December 31 of the dividend year, contributions elected with the application for the dividend expire December 31 of the year for which the contribution is associated. (Eff. 1/1/2009, Register 188; am 1/1/2011, Register 196)

15 AAC 05.010. Request for appeal.
(a) An appeal is initiated by filing a request for appeal. For the purpose of this section, “request for appeal” includes a request for a formal hearing under

...

A request for appeal filed under this section must

(1) state the department action to which the person objects and the relief sought;

(2) state the grounds for the objection, including a brief summary of the facts at issue, the legal authority, and, if appropriate, any generally accepted accounting principles that support the request for appeal;

(3) be signed by

...

(B) in the case of an appeal of a permanent fund dividend
(b) In order to be timely filed, a request for appeal must conform to the following requirements, as applicable;

(5) If the request for appeal concerns a permanent fund dividend matter under AS 43.23, the request must be filed with the permanent fund dividend division within 30 days after the date of the notice of assessment or disallowance, unless the individual demonstrates a reasonable cause for the failure to file within this period; a request for appeal must be accompanied by a $25 appeal fee, if applicable; the appeal fee must be in the form of a check or money order; if the request is mailed, it must be addressed in accordance with the appeal form provided by the department.

(c) A request for appeal is filed on the date it is personally delivered, or, if delivered to the department by United States mail, the date of the United States postmark or official postmark of a foreign country stamped on the properly addressed cover in which the request is mailed. If the postmark is not the official postmark of a foreign country or the United States Postal Service, such as that made by a private postage or mailing machine, the postmark date will be the filing date only to the extent provided for by the United States Treasury in 26 C.F.R. 301.7502-1(c)(1)(iii)(b). If the due date falls on a Saturday, Sunday, or holiday, the due date is the next working day. A current mailing address must be provided to the department with the request for appeal, and any change in mailing address after the request for appeal is filed must be reported to the department immediately. If the department mails a document by registered or certified mail, service is effective if the mailing is addressed to the latest address provided to the department.

(d) At an informal conference and at a formal hearing, a person may be represented by an attorney, by a certified public accountant, or by another representative. A representative, other than an attorney, must file a completed power of attorney at the time the representative enters an appearance in the proceeding.

(e) A person or a representative may review the records on file with the department that are relevant to that person’s request for appeal. A
review under this subsection may be conducted at the offices of the department during regular working hours. Copies of the records on file will be furnished upon receipt of the applicable copying fee.

... (h) Notwithstanding the provisions of 15 AAC 05.001 - 15 AAC 05.050, to appeal a denial of a permanent fund dividend, including a related assessment, an individual must first request an informal conference and the department must issue a decision under 15 AAC 05.020 before the individual may request a formal hearing.

15 AAC 05.020. Informal conferences.
(a) Upon receipt of a written request for appeal under 15 AAC 05.010 requesting an informal conference, an appeals officer will promptly schedule the informal conference. If the appeal concerns a permanent fund dividend denial, the request must be accompanied by the $25 appeal fee required by AS 43.23.015(g), except that the appeal fee is waived for an appeal brought by an agency of the state on behalf of an individual; an individual who meets the indigency waiver standard in AS 43.23.015(i) may apply for a waiver of the appeal fee on a form prescribed and furnished by the department. The informal conference will be conducted in person, through correspondence, or by telephone, audio, or video teleconference, or other electronic means. The appeals officer shall make available to the person who filed the request for appeal the relevant portion of that person’s file,
and shall explain at the informal conference the action taken by the department. A person who wants to present facts and information in support of its position must bring all pertinent books, records, schedules, and other documents to the conference. The appeals officer may copy any of the books, records, schedules, and other documents brought to the conference or otherwise made available to the appeals officer. The person who filed the request shall supply additional information that the appeals officer considers necessary.

(b) After considering the facts, information, and arguments presented at the informal conference, the appeals officer shall promptly render a written decision. The decision must identify the issues in controversy for purposes of further appeal. If the appeals officer believes that modification of the department’s action is appropriate, modification must be made and reflected in the written decision.

(c) The decision of the appeals officer is final for purposes of appeal to a formal hearing under 15 AAC 05.030 but is not a final administrative determination for purposes of appeal to the superior court.

...
(b) On receipt of a request for appeal requesting a formal hearing, the commissioner will appoint a hearing officer. The department will notify the person who filed the request of the appointment. Within 60 days after receipt of the request for formal hearing, the hearing officer will notify the applicant of the date of either a prehearing conference or the hearing.

...The hearing officer may

(1) administer oaths and affirmations;
(2) issue subpoenas;
(3) order discovery by the parties and issue protective orders;
(4) receive relevant evidence;
(5) regulate the course of the hearing, including granting and denying continuances;
(6) hold prehearing conferences;
(7) dispose of procedural requests or similar matters; and
(8) exercise all other powers necessary for the orderly and expeditious conduct of the hearing.

(c) A party requesting the disqualification of a hearing officer must file a motion and a supporting affidavit within 10 days after the date of notice that the hearing officer was assigned to the appeal. The moving party has the burden of establishing that the hearing officer is personally prejudiced and would be incapable of according the party an impartial hearing or consideration of the appeal. No responsive briefing is allowed. The hearing officer shall rule on the motion after reviewing the affidavit. The ruling must be in writing and will become a part of the record. A party aggrieved by the determination of the hearing officer may file a motion for reconsideration of the ruling with the commissioner within 10 days after the ruling by the hearing officer. The commissioner will issue an order in writing either affirming or overruling the ruling of the hearing officer.

(d) A hearing officer may not communicate with a party, directly or indirectly, regarding a case unless notice and opportunity to participate is given to all parties. A hearing officer may communicate with a party without notice and opportunity for all other parties to participate if the communication involves a procedural matter and the other parties have verbally or in writing waived notice.
participation. A verbal waiver may be communicated directly to the hearing officer or through an opposing party. A party conveying a waiver of another party to the hearing officer must first declare that the subject matter of the communication was discussed with the other party and the other party expressly authorized the communication. A hearing officer who receives an ex parte communication in violation of this subsection may be disqualified if necessary to eliminate the effect of the communication.

(e) The hearing officer may order the parties to participate in a prehearing conference. The hearing officer shall set the time and place of the conference. The prehearing conference may be conducted by telephone, audio or video teleconference, or other electronic means. At the conference, the hearing officer shall determine matters promoting the orderly and prompt conduct of the hearing, including preparation of stipulations, simplification of issues, identity and limitation of the number of witnesses, objections to evidence, order of presentation of evidence and cross-examination, exchange of exhibits, issuance of subpoenas, discovery orders and protective orders, briefing schedules, the extent to which evidence will be presented in written form, and the substitution of telephone, teleconference, or other electronic means for proceedings in person. The hearing officer may issue a prehearing order incorporating the matters determined at the conference. If a prehearing conference is not held, the hearing officer may issue a prehearing order to regulate the conduct of the proceedings.

(f) The hearing officer may give the parties the opportunity, at appropriate stages of the proceedings, to file motions and objections, briefs, and proposed findings of fact, conclusions of law and orders. A party shall serve copies of any filed item on all parties, personally delivered or deposited in the United States mail with first class postage prepaid. A motion to dismiss, motion for summary judgment, or other dispositive motion must be filed at least 15 days before the date scheduled for hearing, unless good cause is shown for filing the motion after that time. An opposition to a dispositive motion must be filed within 10 days after receipt of the motion by the opposing party, unless otherwise ordered by the hearing officer. The hearing officer may, at the request of a party, or on the hearing officer’s own motion, issue a subpoena. A subpoena issued under this section must be served in accordance with the Alaska Rules of Civil Procedure or by a person designated by the hearing officer.
(g) The hearing officer shall set the time and place of the hearing and shall give reasonable notice to the parties. A request to change the time and place set for the hearing must be made at least 7 days before the date scheduled for hearing, unless good cause is shown. The hearing officer may conduct all or part of the hearing by telephone, audio or video teleconference, or other electronic means. With the consent of the parties the hearing may be conducted through correspondence. The hearing must be recorded by the hearing officer or by a person designated by the hearing officer. The parties may obtain, at cost, a copy of the recording or, if the department hires a reporter, a transcript. If the hearing officer records the hearing by tape recording and a reporter is not hired, a party may, at the party’s expense, hire a reporter approved by the department to prepare a transcript from the department’s recording or to record and transcribe the hearing. If the party’s reporter prepares a transcript, a copy must be provided to the department at the usual cost for a copy of a transcript.

(h) A hearing is not conducted according to technical rules of evidence. Relevant evidence must be admitted if it is probative of material facts. Irrelevant and unduly repetitious evidence must be excluded. Hearsay evidence is admissible if in the judgment of the hearing officer it is the kind of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs. Oral evidence may be taken only on oath or affirmation. Each party may call and examine witnesses, introduce and object to exhibits, cross-examine opposing witnesses, impeach a witness, and offer rebuttal evidence. At the hearing, the person requesting the hearing has the burden of proving that the action by the department to which that person objects is incorrect.

(i) The hearing officer may allow the parties a designated time after conclusion of the hearing for the submission of additional evidence, briefs, or proposed findings, with opportunity for objection by the opposing parties. The hearing officer shall issue a written decision containing the hearing officer’s findings of fact and conclusions of law within six months after the record is closed. . . .

...Upon adoption by the commissioner, the commissioner’s designee, or the senior hearing officer on behalf of the commissioner, the written decision shall be mailed to the parties and is the final administrative
decision of the department for purposes of appeal to the superior court under 15 AAC 05.040, unless a motion for reconsideration is filed under 15 AAC 05.035.

(j) If a person requests a hearing and fails to appear at the hearing, the hearing officer may issue a decision without taking evidence from that person, unless the person, within 10 days after the date scheduled for hearing, shows reasonable cause for failure to appear.

(k) The hearing officer may waive any requirement or deadline established in 15 AAC 05.010 - 15 AAC 05.030 if it appears to the officer that strict adherence to the deadline or requirement would work an injustice; however, the hearing officer may not waive the provision in (b) of this section applying to the scheduling of a hearing or a prehearing conference, or the provision in (i) of this section requiring that a hearing decision be adopted within six months after the close of the hearing. If a written decision is not issued within six months after the record is closed, the commissioner will, within 30 days after the expiration of the six-month period, notify the parties of the reason for the delay. (b) Within 20 days after receipt of a motion for reconsideration, the commissioner will issue an order in writing either granting or denying the motion.

(c) If the commissioner grants a motion for reconsideration the decision will be reconsidered and any modifications to it made as promptly as possible. If appropriate, the commissioner will authorize the submission of further briefs, order the hearing reopened to received further evidence or provide for other suitable procedures for reconsideration of the decision. After a decision has been reconsidered, the commissioner will readopt the decision with any appropriate modifications.
